POLA-RUDE!

Photographer's old photos give E-Rat some new SEXPOSURE!

LONG before she was an in-demand supermodel – and telling Robin Thicke to keep his slimy mitts off her in the music video for *Blurred Lines* – **Emily Ratajkowski** posed for some VERY NUDE Polaroid pix for Yank shutterbug Jonathan Leder.

That was in 2012 – now, Jono's released the saucy snaps in a book and an art exhibition that showcases his talents with a camera and E-Rat's talents with wearing AS LITTLE CLOTHING AS POSSIBLE! The 25-year-old Seppo siren isn't happy they have re-emerged but, frankly, she's THE ONLY ONE. Her fans – us included – couldn't be happier.

And what was it about Em that appealed to Leder?

"It was clear this girl had something special," the photographer chortled. "She had a great figure, and more of a 'real girl' look than some of the typical New York runway models I tend to stay away from. Emily was one of the most comfortable models I'd ever worked with in terms of her body."

Hey, mate, if you were built like E-Rat, YOU would be comfortable, too.

See more of Emily in *Full Frontal* on pg9!

Natural TALENTS

Felicity's mams are real... and they're spectacular!

PHOTOS BY ADAM TURNER PHOTOGRAPHY

‘I’VE HAD MY HANDS ALL OVER A FEW FOOTBALLERS’ BACKS!’

WE’RE always on the lookout for beaut new talent, which is how we stumbled across these sensational snaps of lusty Londoner **Felicity** and her FAB FUNBAGS! We knew we had to track down the ex-beauty therapist and sports masseuse and chat to her about many things...but mainly her TITS. Take it away, Flick!

WE KNOW this is sudden, but we think we’re in love, Flick. Please tell us you’re single. If not, just lie and say you are.
“Yes I’m single! I’ve been travelling around the world tanning my boobs on various beaches. I only just landed long enough to do this shoot!”
Your bosoms are amazing. They ARE natural, right?
“Yes, they’re a natural 28DD. People always compliment me on them! Men really love natural boobs!”
We sure do! While staring at them, we noticed the words “Never look back” tattooed under your right breast. What does it signify?
“I split up with a guy and thought never look back! Haha! That was a long time ago now and I’ve thought about getting it removed.”
Best thing about being a pin-up?
“I love flying around the world with girls, getting paid to take my clothes off! My favourite was Ibiza, where I was basically getting paid to party!”
Sounds sweet! What’s the funniest thing that’s happened to you during a modelling assignment?
“I once forgot all my outfits and had to go naked the entire shoot! Luckily for me I don’t mind!”
What’s the sexiest part of your body?
“I love my arse...I’m an excellent twerker.”
We’re buying this round, so what will you have, matey?
“Champagne, please.”
What kind of drunk are you after 10 or 12 cocktails?
“Very, very loud!”
When can we expect you to visit Oz? You can sleep on our couch in the office if you like.
“Hopefully this year – it’s one country I’ve never explored!”
We’re happy to be your personal tour guides, Flick!

BELLA'S SWELLS

DURING a night out on the turps, 19-year-old actress Bella Thorne put her pierced paps completely on show in West Hollywood. We're not sure why she bothered to wear a top at all, but you won't hear us complaining. Although we're a bit bummed she didn't complete the outfit with see-through pants...

KINKY INKY

OLYMPIC gold medallist **Inge de Bruijn** has ripped off her swimming togs in an attempt to find herself a boyfriend. That straight-up approach would work for most blokes, but Inky, 43, also might have done it because she was on the all-nude Dutch reality-dating TV show *Adam Seeks Eve*. We'd take a bite of them APPLES!

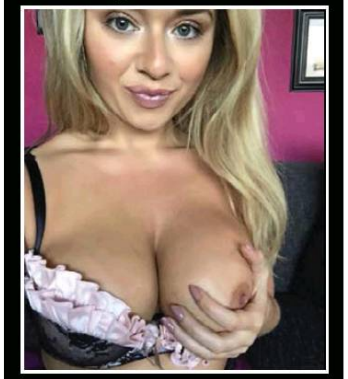
KLUM'S THE WORD

HEIDI HEY!

SUPERMODEL and mother-of-four **Heidi Klum** has NUDED UP for a new arty photography book, *Heidilicious*, with the snaps taken by talented shutterbug Rankin. "We should always be celebrating a woman's body," the 43-year-old MILF preached. "It doesn't matter what age they are." Spot on, Klumsy – as long as you're NAKED, we always CELEBRATE!

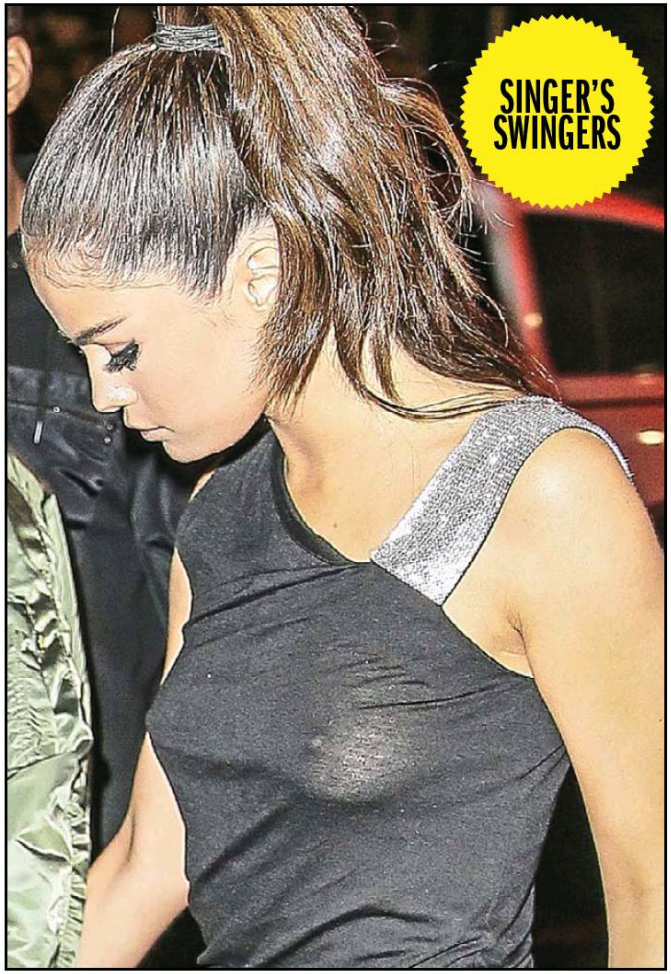
SHARING THE LOVE

The freshest flesh on celebrity social media



POMMY stunna and former *People* cover girl **Melissa Debling** gets to live out the things that we only dream of doing. The 27-year-old from Ramsgate, Kent, grabbed a handful of her titty and sent this selfie to all her loyal subscribers.

PHOTOGRAPHY is a great hobby to get into. Yank model **Emily Ratajowski** was experimenting with the timer on her camera when she snapped this doozy. She must've been bloody stoked with the results, too, because she shared it with everyone.



GOMES' DOMES

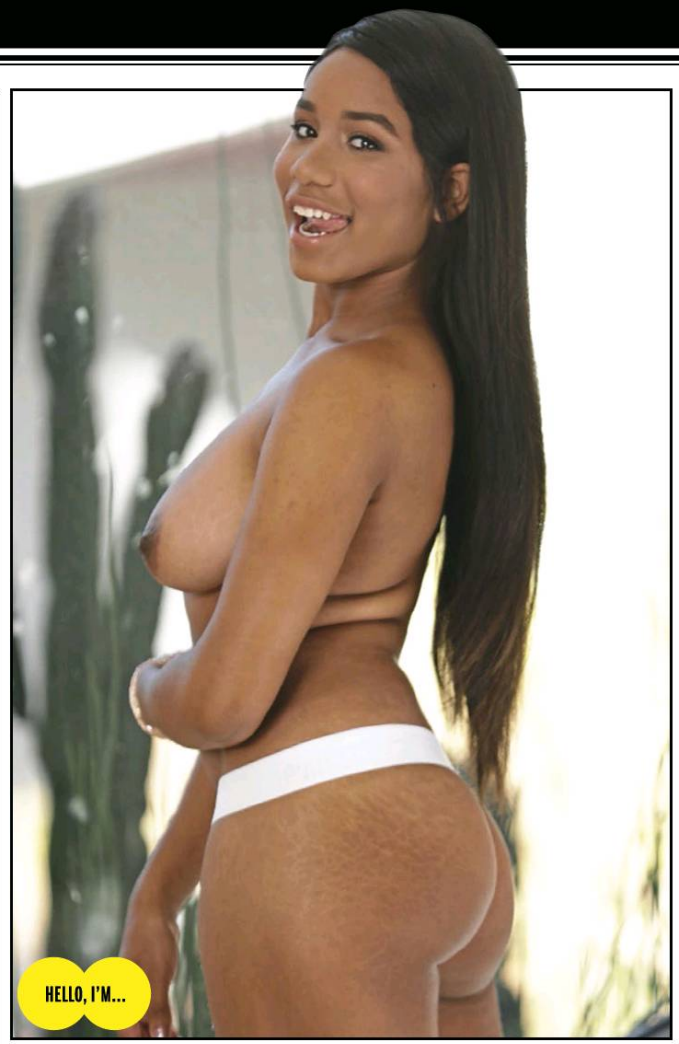
WE'RE thinking of starting a new charity and calling it Buy A Bra For A Poor Celeb Foundation. There seems to be a few famous femmes who can't afford an over-the-shoulder boulder-holder...like warbler Selena Gomez, snapped recently in New York. Dig deep into your pockets and give what you can for this worthy cause, readers.

NICE SNAPPER!

ON THE resume of Frenchie **Christy Lacour Gianini** it says she is a "mannequin professionnelle". That means she's either a MODEL or a FISHERWOMAN. We don't know because we failed French at school. We do know that she owns one hell of a RIG, and it's on show at fashion website Editorials Fashion Trends. We're HOOKED.

IGGY'S RIG

RIPPITY-RAP star **Iggy Azalea** is primarily known for her BADONKADONK. But the 26-year-old from Mullumbimby, Queensland should also be known for her TEENY-TINY nippity-doodahs! During the behind-the-scenes shoot of her single, *Change Your Life*, Iggy needed only to wear the WEENSIEST of pasties.



JENNA FOXX

IF YOU'RE gonna start something, start with a BANG. That's what Jenna Foxx did with her 2015 fuck-film debut, *Ebony Angel's First Anal Fuck*. Since that premiered, the 21-year-old Canadian hasn't looked like stopping. Keep your eye and your cock out for her more recent titles, such as: *PTSD: Paid To Suck Dick, Lezzz Get Kinky* and *Destroy My Teen Ass*.

THE COST OF SEX

What your favourite rooters get paid for doin' the wild thing!

IF YOU (like us) have ever considered suggesting to your missus that she could try her hand in adult films – so you can retire early, lie back on the couch and watch her RAKE IN THE DOUGH – then perhaps you should first find out what performers receive for the various sex acts they do in a typical porn scene.

Or you can sit round knocking back stubbies and wait for US to do the research for you.

Which we have.

In America, the jiz biz makes billions of dollars every year, so it's certainly a career worth exploring...as opposed to, say, opening your own video store or film developing lab.

SOLO NUDE

(Average per scene: **AUD$450**)

THIS involves little more than the lass taking off her clobber and wandering starkers round the room.

OPEN LEG SOLO

($540)

THE same as above except the model spreads her legs so punters get to see the steak along with the sizzle. If she strikes a few wacky poses, then she can score around $630.

INSERTIONS SOLO

($800)

"WHERE did my banana go? It was right here a minute ago and I was going to have it for lunch. Has anyone seen it?"

GAL-ON-GAL

($1000-$1350)

TWO chicks – who may or may not actually be real lezzers – go lickety-split on each other. Shit! We'd PAY that much dosh to see our missus dine at the Y.

REGULAR SEX

($1330-$2000)

YOUR bog-standard scene where the plumber arrives and ends up sticking his PORK PLUNGER in the gagging-for-it dame's drainpipe instead.

BUTT SEX!

($1600)

AND you score all the free Vaseline you want as well.

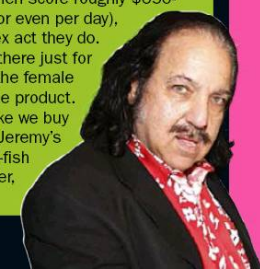
DPs

($5300)

NOT surprisingly, this athletically challenging activity is worth big bux to actresses. Hey, nobody enjoys walking around bowlegged all day.

Sex discrimination

UNLIKE other careers where the pay is skewed in favour of men, in porn it's the women who get the better part of the deal. Generally, woodsmen score roughly $650-$800 per scene (or even per day), no matter what sex act they do. Sadly, blokes are there just for their COCKS; it's the female stars who SELL the product. After all, it's not like we buy a porno 'cos Ron Jeremy's slapped-by-a-dead-fish mug is on the cover, right? Right?!



COCK-HOLM SYNDROME

IT'S the sorta stuff that our censors would freak over – what with all the guns, storyline violence and SEVERED FINGERS – but ***Blood Sisters*** is the FREAKING GOODS!

A corrupt Yank politician must deal with ruthless gangsters who kidnap his daughters, Madalena and Isabel, to exact their revenge for his bad ways.

But when push comes to shove – and COCK CUMS TO PUSSY – will the gals stay onside with their dodgy dad or will they hook up with their donkey-dicked captors in a very suss Stockholm Syndrome situation?

In the morally dubious world of XXX fillums, we'll let you be the judge. But you already know the answer, we suspect.

Anyhow, copping SPERM BULLETS in five criminally raunchy scenes are **Mercedes Carrera, Vicki Chase, Ariella Ferrera** (right), **Kristina Rose** (left) and more.

MEET THE MILF LEXY COUGAR

BORN: January 1, 1965 in Des Moines, Iowa
STATS: 40-23-36
QUICK FACTS: This 52-year-old divorcee has moved around the States, from Iowa to Texas to her current home Florida. And it was in this sun-drenched state that the paralegal decided to get into the bonking bizness two years ago: "I did it out of curiosity – a new experience – something different from my career."
STARS IN: *GILFs Like It Black, Horny 50+ MILFs 4*
WHO'S THE YOUNGEST GUY YOU'VE FUCKED SINCE YOU HIT OFFICIAL MILF STATUS? "He was 27, someone I worked out with in the gym. We got to know each other and ended up going out for a few drinks and having some fun."
HOW DID IT FEEL HITTING YOUR 50s, MATE? "Age doesn't bother me. My 40s were awesome, probably the best years of my life. I'm more secure with myself and know what I like and what I want. In my 20s, I was very shy. I came out of it a little in my 30s, and in my 40s I went in the other direction."
DO YOU MASTURBATE AT HOME? "Yes, I do – at least once a day. And I prefer to do it by hand while I'm on my hands and knees. I can fantasise about being fucked by a big stud or something REALLY FILTHY, which helps me get off quicker."

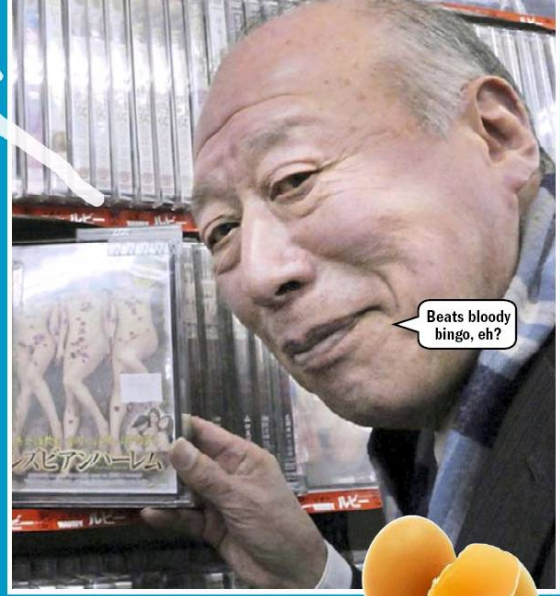
POPPA SHOT

DIRTY OLD FUCKER



Pensioner porn star credits raw eggs for his high sex drive!

WE'RE sure that when we hit 82, we'll be happy if we can still walk to the toilet to do number twos without SHITTING OUR DIAPERS. So hats off to **Shigeo Tokuda**, who spends his retirement years BANGING CHICKS in Japanese stick flicks!

The world's oldest porn star, who's racked up an impressive 700+ movies during the past 12 years, says he tries to avoid taking Viagra. Instead, he relies on something else to help him get and maintain his stiffies, so he can shag chicks 60 years his junior.

"If we're talking about things that give you stamina, I eat RAW EGGS every day," Shigeo chuckles, before wheezing uncontrollably.

Thanks to his daily egg intake, the SEX FIEND has the wrinkly porn field pretty much to himself with popular titles like *Tit-Lover Old Man Kameichi And His Horny Pranks*.

"I like having the girl on top and letting them take the initiative," he explains. "I actually don't like taking the lead myself, which might be surprising since it's the complete opposite to the roles I play."

Are there ANY negatives to fucking young chicks for a living? Surprisingly, there IS.

"I don't have much in common with the girls in their teens and 20s," sighs Shigeo.

Hey, you don't have to have a convo with them, buddy. Just FUCK 'EM!

DINNER AND A ROOT

THE dating scene in Africa can be pretty fucking BRUTAL. Just ask the giraffe involved in this WILD Namibian threesome. Boffins say mating lions can root up to 40 TIMES A DAY. So in between all that SHAGGING, they've gotta sneak in a meal or two...to keep their ENERGY up.

HUMAN SKIDMARK!

THIS mystery Italian isn't actually a victim of Italy's LAWLESS roads. He's just a bloke who's had his face TATTOOED and SCARIFIED by local tattoo artists Valerio Cancellier and Brenno Alberti. NEEDLES to say, we were pretty bloody SCARY-FIED at the results!

CAUGHT ON TAPE

THE FBI are on the lookout for this CUNNING robber in Brownsburg, Indiana who disguised himself using MASKING TAPE. The STICK-UP artist got away with a HUGE WAD. If you see a bearded BLOODNUT with tape over his melon, give the feds a yell.

FUCK-OFF FACTS

- Aside from mating season, lions spend most of their time resting and sleeping. They're like logs for 20 hours a day.
- If you're ever told to eat a teaspoon of concrete in order to harden up – DON'T. It's EXTREMELY TOXIC to humans.

JUSTICE SERVED

A SEPPO lawyer drove into WET CONCRETE after deciding he was TOO IMPORTANT to be delayed by roadwork in Lincoln, Nebraska. Aside from having to pay to fix his own car – this SHORTCUTTING SHYSTER will fork over $10,000 to the city for the cost of repairing all that beautiful, DEFENCELESS concrete he fuckin' ruined.

UNEXPLORED TERRITORY

AUSTRALIA'S Sexiest Virgin

Fleur's flower is still intact!

THE Gold Coast is famous for its long beaches, massive high-rises and the FULLY HECTIC nightlife. But it's never really been famous for its flowers – UNTIL NOW.

That's because Goldie resident Fleur still has her FLOWER, and the box it comes in!

"I haven't met a guy I wanted to be in a relationship with yet," the 19-year-old sandwich hand moaned. "And I need to be in love if I'm going to have sex. I've been on dates and pashed a few guys, but I'm after something more than looks."

Speaking of looks – your body is PHENOMENAL, Fleur.

"Thanks! I love my boobs – and I think other people like them, too. This was my first ever shoot, so I was very nervous."

How did NUDING UP feel?

"It felt really good to feel so sexy. The photographer put me at ease, as it was my very first time doing something like this."

Have you ever fooled around with the fairer sex?

"I've fooled around with girlfriends and I dated a girl for a few weeks. I often wonder if it's not better than men. However, when I MASTURBATE, it's guys that I picture in my mind."

What HAVE you fantasised about doing with a guy?

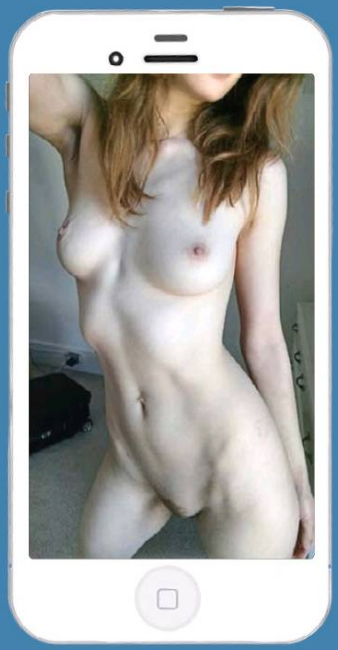
"There are too many for me to even begin talking about! I'm always fantasising about new things, and I can't wait to meet the right guy so I can try them out one day."

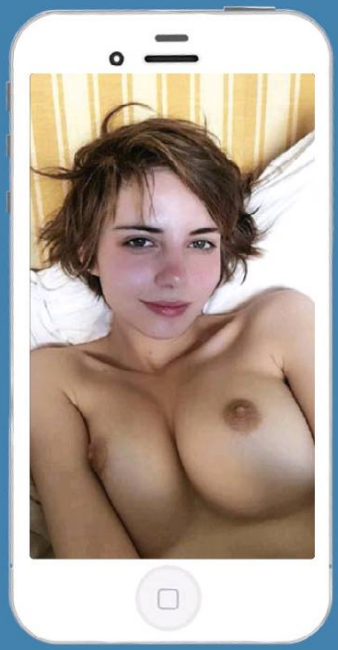
Where can fellas find you? Our office is gonna get FLOODED with letters.

"I'm always going to rock concerts, hanging out with friends and having fun. I'm thinking of becoming a nurse, so hopefully I'll start studying that soon."

We'll be chucking EVEN MORE sickies when you do.

'I NEED TO BE IN LOVE IF I'M GOING TO HAVE SEX'

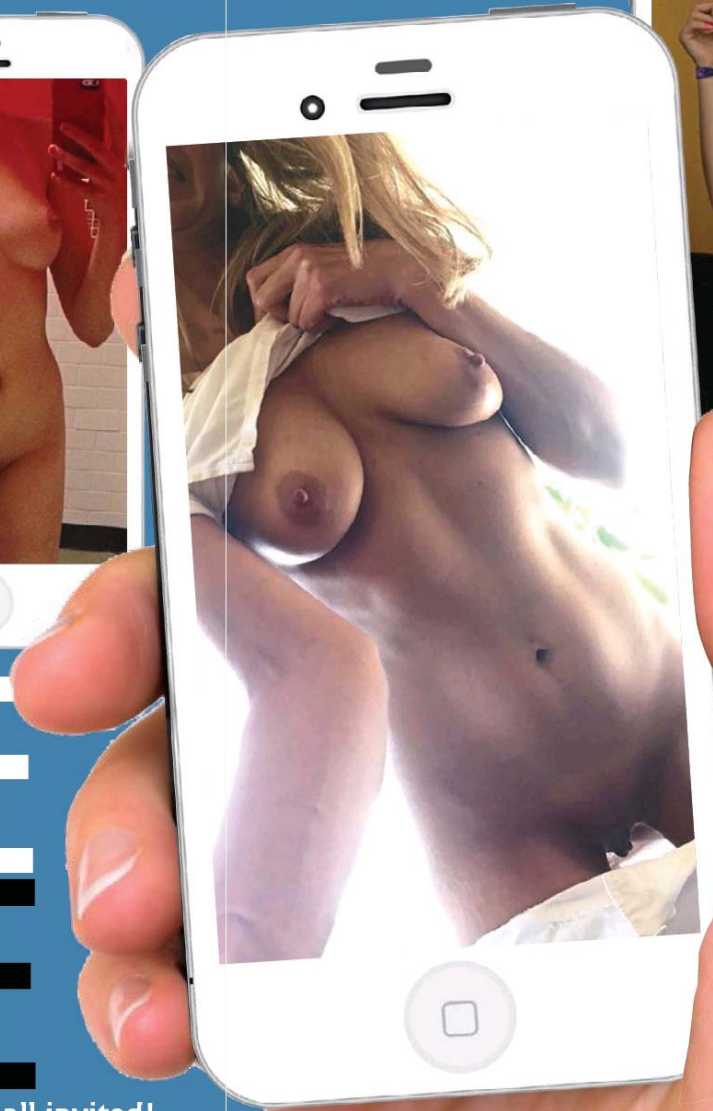


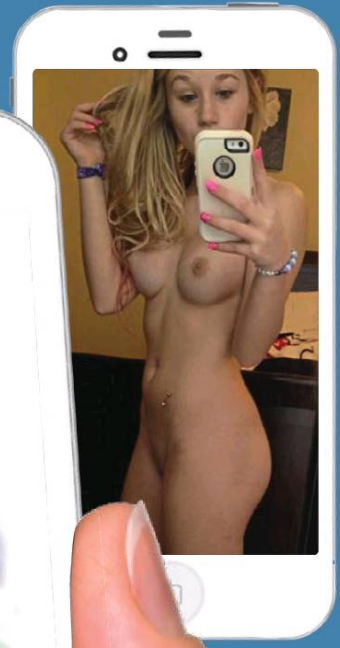


SELFIE ABUSE

It's amateur hour time...and you're all invited!

WE MIGHT not have FOOD PILLS and FLYING CARS, but we still live in AMAZING times, guys. High-resolution camera phones are everywhere and so are BANGING BABES keen to take photos of their sensational bods. When these two things combine, it creates something BEAUTIFUL – and who are we to deprive you of things of beauty? So enjoy these sexy selfies while they're piping hot. You and your knobs can thank us later.





REMEMBERING THE 90s

The decade that gave us The Macarena, White House blowies and Pamela Anderson's pups!

Remember the BABE-A-LICIOUS 1990s, homie? The boobs were surgically ENHANCED, the hair was STREAKY and dirty, and the vaginal fur was starting to VANISH! If you DO remember, then you clearly didn't take enough eccies during the decade. Either way, don your FLANNO, comb your UNDERCUT and double-dump a couple of PINGERS (or a tray of COUGAR BOURBONS if you prefer) as we hit the button on our TITS-OUT TIME MACHINE, readers!

CALENDAR GIRL

WHILE getting ripped off at the local mechanics, I saw Genevieve Morton's 2017 NUDE calendar hanging on the wall. She's as close to perfection that I've ever seen. The only down side is, she's South African, so she will have to be silent in my fantasy. Do you guys have a copy handy?

HS, Vic

Cheers, HS. We didn't have it, but we ordered a copy as soon as we got your letter. And you're right, she's bloody near perfect. Enjoy this belter of an image as your finder's fee.

WE WANT NADS!

GREAT IMPORT

WHAT is Immigration Minister Peter Dutton doing letting Nadine (*Model Cits*, June 19) leave Oz? She's exactly the type of migrant we need here – she hates wearing clothes, loves Aussie blokes and has a cracking pair of tits! I know 457 visas have been scrapped, but can we please make an exception in this case?

GT, WA

Rest assured, we're working tirelessly to fix this problem. Soon, People's Extremely Nude International School (PENIS) will get certification from the government and we'll be able to sponsor student visas of babes just like Nads. We know educating these gorgeous tourists in the ways of the PENIS will be HARD, but it'll be worth it in the END.

THINGS THAT LOOK LIKE GENITALS

"I BOUGHT some sweet potatoes at the market, and the hubby refused to eat this one," writes **Alana via email**. "He reckons it looks like a diseased vagina." What a sick cunt!

MILKING IT

IT'S all well and good complaining about cream biscuits (*Animal House*, June 19), but everyone's ignoring the real problem with workplace tea rooms: skim milk! No-one, except for the receptionist, drinks the shit. But we're forced to drink it after the full cream runs out. Buy fuckin' FULL CREAM – anyone who wants skim can have water with a drop of milk added... 'cos that's all it fucking is.

Tex, ACT

SKIM IT OFF

We've seen too much milk wasted over the years. To combat waste here at People Towers, we just give the skim milk straight to the rats.

RING IT IN?

A DECENT PROPOSAL

I'VE been going out with my girl for four years. She's kind, she can cook, she's not religious or preachy about anything, and I've never seen her be cruel. She's funny as. I even find her farts adorable. We don't fight – we have rational and intelligent arguments. We have a phenomenal sex-life, and she makes me happy. I'm thinking about proposing to her, but this whole "forever" thing is a bit scary. How do I really know if she's the ONE?

Darren, SA

If she does ANAL.

BELLA DONNA

FLASH RACK!

I LOVED the 1980s retro special you guys did (*Back To The 80s*, June 19). It was great to remember all those chicks that I wanked over as a young tacker. But there was one chick you missed: Donna Ewin. Her boozzies were the best I've ever seen. Any chance you could dig up a picture?

Don, Qld

How could we forget The Donna! She could've ended world hunger with those majestic melons. Rumour has it, she's now working as a cabbie in London. Imagine that ride! Here's a beaut snap we found in an old copy of SCORE *mag.*

ANIKKA ALBRITE | 28 | DENVER, COLORADO

SOAP STAR

Anyone up for a spit and polish?

PHOTOS BY HARD X

THESE sudsy shots of porno royalty **Anikka Albrite** landed on our desk last week to celebrate her starring role in COCKBUSTER new movie *Car Wash Girls 4* from Elegant Angel. We immediately gave the Seppo stunna a buzz to talk about soapy water, shagging and some other stuff.

WHY do guys find the concept of sexy chicks sexily soaping up sexy cars so appealing, Anikka?
"The car wash is a classic way to LURE IN GUYS. Get out there in a bikini with a sponge and you have your pick."
So what was more fun in making

‘I PLAY THE FLUTE...SOME GUYS THINK THAT’S PRETTY HOT’

▸ ***Car Wash Girls 4*: cleaning cars or getting ploughed by monster dicks, buddy?**
“We had a great time shooting this... I can admit that I enjoyed the sex more than the cleaning.”
Your other recent releases have included *Prison Sluts*, *Hair Pies* and *Mom Knows Best*. Making smut is hard work, eh?
“I have to take really good care of my body since it’s on full display when I make movies. I spend a lot of time exercising, that’s a big part of my day, and I eat healthy and try to get enough sleep. Then there’s the work you have to put in at the studio.”
But there’s also an upside...apart from ALL THE FUCKING, right?
“When you have a fun team of great pros around you that makes it so much better, and you all collaborate together to create – which is amazing.”
Were you into stick flicks before you became an actress?
“Oh yeah, I have a lot of passion and I’m a super-sensual person, so I was watching porn and getting turned on by it long before I got into the industry. I used to think about how it would be to go into acting as a porn actress. I started to do some research to find out what this kind of life and career might be like, before I finally went for it.”
What are your fave scenes?
“I love scenes where I get to play a character. Also scenes where I get to do stunts. I like scenes where I get to play fight, suck cock and EAT PUSSY!”
If you could direct your perfect fantasy, what would it be?
“It would all take place under water. I would be free-diving and it’d be MERMAID-STYLE SEX... everyone would be in full scuba gear.”
What turns you on?
“Lots of things, but eye contact is right at the top of the list...it makes everything so much more intimate. It makes intimacy so much more intense in that great, sizzling-hot way that’s so electric, sensual and erotic.”
Tell us one unusual thing about you.
“I play the FLUTE. Some guys think that’s pretty hot, which I think is funny. I also ride horses, so I’m a rider who knows how to play the flute. I guess that could sound kind of sexy if you’re a guy, come to think of it.”

DOGS OF WAR

Meet the combat canines taking down the world's baddies

Not quite the walkies Rover was expecting

IT'S not just brave men and women who go to war around the globe to protect our freedom-lovin' arses – **DOGS** also play a crucial role in military operations, too.

The Australian armed forces have been using dogs – mainly Labradors or German and Belgian shepherds – since WW1 due to their superior sense of smell, keen vision and acute hearing.

"There are stories about canines detecting enemy planes up to 20 minutes before humans can even hear them," said an army spokesman.

The Yanks bloody love 'em, too.

When a team of SEALs took out that cunt Osama Bin Laden in Pakistan in 2011, they brought along a highly trained canine to sniff out any potential BOMBS AND BOOBY-TRAPS before they attacked the terrorist's compound.

'DOGS CAN BE AN AMAZING PSYCHOLOGICAL DETERRENT'

Dogs are also trained to detect enemy soldiers in buildings, then restrain them if they attempt to flee. Our four-legged friends are also good at dealing with large crowds, especially in the Middle East.

Said one military bigwig, "There's a cultural aversion to dogs in some of these countries, where few of them are used as pets. Dogs can be very intimidating in that situation."

There are hundreds of mutts serving overseas and they face the same risks as their human handlers.

One navy woofer, Remco, was posthumously awarded a Silver Star after it charged an enemy hide-out in Afghanistan.

When he was commander of US forces in Afghanistan, General David Petraeus summed up dogs' roles in the modern army: "The capability they bring to the fight cannot be replicated by man or machine."

Eating out

THERE was this guy who always went out drinking with his friends and would come home very late.

One night, while he was at the pub, he told them his secret for keeping sweet with the missus despite his bad behaviour.

"When I walk in the house, before the wife can say anything, I lay her down, take off her panties and give her the best oral sex she's ever had. She has a screaming orgasm and falls into a deep sleep. Next morning, she wakes up totally satisfied and doesn't care that I came home late."

One of his friends thought this was a great idea.

So he stayed out late the next night, came home, snuck into the bedroom, gave his wife the best oral sex she'd ever had and left to wash up.

His wife walked into the bathroom, obviously upset that he was home so late.

"Why aren't you sleeping?" he asked.

"I was, but I came in to tell you that we've got to sleep in the spare room tonight 'cos my mother is sleeping in our bedroom."

What a dick

A HUSBAND and wife were sitting at home watching a television documentary about mixed emotions.

He turned to his wife and said, "Honey, this show is a bunch of crap. I bet you can't tell me anything that will make me happy and sad at the same time."

To which she responded, "You have the biggest penis of all your friends."

Get a life

ANTHONY goes into his GP's surgery and asks, "Doctor, do you think I will live until I'm 100?"

The quack asks, "Do you drink, smoke or do drugs?"

Anthony replies, "No."

"Do you like to sleep around with women and go out partying?"

"No, I don't."

The doctor then asks, "Well, why the fuck do you want to live until you're 100?"

Copping it sweet

LATE one night, a man's speeding down the road in his car. A motorcycle cop chases after him and pulls him over.

The cop walks up to the driver's side, taps on the window and asks, "Are you aware of how fast you were going?"

The man replies, "Yes, I am. I'm trying to escape a robbery I was involved in."

The cop gives him a sceptical look and says, "Were you the one being robbed?"

The man casually replies, "No, Officer, I committed the robbery."

The cop looks a bit shocked and says, "So you're telling me you were speeding... AND committed a robbery?"

"Yes," the man calmly says. "I have the loot in the boot."

The cop begins to get angry: "Sir, I'm afraid you have to come with me."

"I'm a great listener, if you want to tell me more," he assured her.

"You don't even know me," she said, wiping tears from her eyes. "Why would you want to listen to me?"

Dale patted her gently on the arm and replied, "Because you have such massive tits."

The cop reaches in the window to subdue the man.

"Don't do that!" the man yells fearfully. "I'm scared you'll find the loaded gun in my glove compartment!" The cop pulls his hand out and snaps, "Wait here."

He calls for backup and, soon, there are police cars and helicopters everywhere.

The man is quickly cuffed and taken to a squad car. However, before he gets in, a senior officer walks up to him and says, while gesturing to the cop that pulled him over, "Sir, this officer informed us that you had committed a robbery, had stolen loot in the boot and had a loaded gun in your glove compartment. However, we found none of these things in your car."

The man sneers, "Yeah, and I bet that liar said I was speeding, too!"

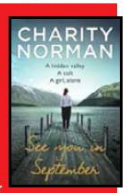
A FEW LESS MEN

Universal Sony Pictures, rated MA, out now, RRP: $34.95 (DVD)/ $39.95 (Blu-ray)
What's the guts? When three Poms are tasked with flying their dead mate from Oz back to England, things go astray when their private plane crashes in the outback. They're forced to deal with a corpse that somehow keeps disappearing on them, encounters with various local weirdos and the increasingly psychotic threats from their dead mate's gangster cousin.
Anything else? This cack-a-minute comedy is the sequel to the equally funny *A Few Best Men* and features much of the same cast, including Aussie's own Xavier Samuel. Giving great support are Sacha Horler, Deborah Mailman, Lynette Curran and Shane *Kenny* Jacobson in a skirt!
Final word: Funnier than a funeral!

WIN! THE best men (and women) at Universal Sony Pictures have sent us FIVE DVDs to hand out. To win yours, **just tell us IN ONE SENTENCE about your most memorable experience in the Aussie outback.** The five best answers will receive a DVD. Mark your entries "*A Few Less Men* comp".

See You In September



By Charity Norman
Allen & Unwin, out now, RRP: $29.99
What's the guts? When Cassy waved goodbye to her family, they didn't realise that she'd vanish from their lives for years after getting caught in the clutches of an evil doomsday cult. Now, her desperate parents must find a way to get Cassy away from the group before the "Last Day" arrives and they lose their daughter forever.
Anything else? Ex-lawyer Charity Norman spent months researching destructive cults, new religions and mind-control techniques. She then locked herself away in a cabin for a few months and wrote this terrifying novel. Charity says, "Where is the line between a 'normal' religious community and a destructive cult? Can individual freedom ever be a price worth paying, if everyone is happy and nobody is lonely?"
Final word: Sure to be a cult favourite!

WIN! WE'RE giving away THREE copies, thanks to our mates at Allen & Unwin. To get yours, **just tell us IN ONE SENTENCE your fave month of the year and why.** The three most interesting answers will get a book. Mark your entries "*See You In September* comp".

The Sentinel & Straw Dogs

Shock Entertainment, out now
What's the guts? The scares are ratcheted up to 11 in 1977's ***The Sentinel*** (rated R, $10 DVD/$20 Blu-ray). Sexy model Alison rents a flat in New York, unaware that pure evil lurks behind her front door. An amazing cast – including Ava Gardner, John Carradine, Burgess Meredith, Christopher Walken and Martin Balsam – get splattered with blood in this full-on horror tale.
Anything else? ***Straw Dogs*** (rated MA, $10 DVD) is the 2011 remake of the 1971 violent classic. A young couple (James Marsden and Kate Bosworth) move to the rural American south and soon fall foul of local rednecks, led by the evil Alexander Skarsgård. Faced with death (and worse), the only way for the couple to survive is to become more ruthless and vicious than the bastards seeking to do them harm.
Final word: Video nasties.

WIN! THERE are FIVE DVD packs up for grabs, courtesy of Shock. Fear Inc.

Eagle Entertainment, rated MA, out June 21, RRP: $29.95 (DVD/Blu-ray)
What's the guts? SEXY Aussie Caitlin Stasey stars in this ferociously funny horror fillum about a company that, for a price, will bring your fears to life. For a ton of cash, it will bring the terror to your home, workplace or holiday destination. A bit of harmless, scary shenanigans, right? But the guys running it are psychos and this could be the sorta fun that might lead to innocent people getting killed.

But as the experience rapidly turns from light-hearted scares to seriously fucked-up shit, the couple find themselves in a fight for their lives where nothing is as it seems.
Final word: Frightfully good fun.

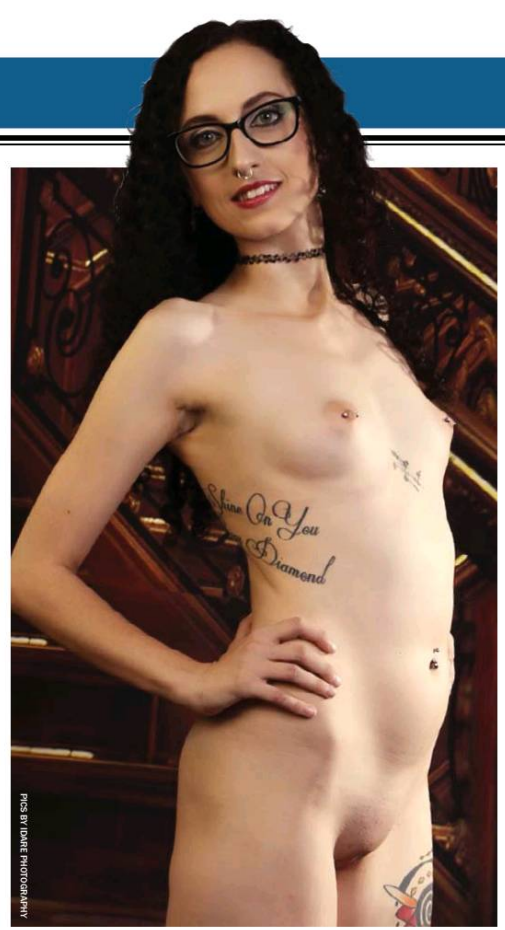
What porn genre most turns you on?
"Bukkake – I love seeing a girl covered in cum."
Do you like being jizzed on in real life?
"Yes, on my face. I like seeing that the people involved are open for fun and naughty things."
Have you ever had more than one person blow on your face?
"Not yet, unfortunately. Unless you count a girl and guy cumming on my face."
We shall.
"Then yes. I had a threesome with my boyfriend and my best friend and she came on my face while I was eating her out. And my boyfriend came on both our faces when it was over."
Who tasted better?
"They were both equally as good."



PICS BY IDARE PHOTOGRAPHY

ECHO | 23

Auchenflower | QLD

What makes women with glasses so damn sexy?
"The way they can frame the eyes and face and add to the natural beauty within their features."
We thought because it made it easier to read beer labels. Should blokes rock the four-eyed look?
"Totally. It's so hot, especially if they need them to see."
Why else would they have them?
"Add a beard and I know I'll definitely be drooling."
What about a guy with a beer gut and uncut toenails?
"I like a guy who can look after himself somewhat, so that's not the biggest turn-on at all."

'I'M AN EXHIBITIONIST ...I LOVE BEING WATCHED'

PICS BY IDARE PHOTOGRAPHY

ROXIE LEIGH | 22

Munno Para | SA

What do you like about posing nude?
"It boosts my confidence getting in front of a camera. I'm a voyeur and an exhibitionist. I love being watched and watching others."
What's the most explicit thing you've done on camera or on film?
"I've been involved in a BDSM performance. I played the naughty schoolgirl in front of a crowd."
How did it go?
"It was only 15 minutes, and it was performed in a nightclub. It was a lot of fun to be on stage, performing for the crowd and entertaining them."
Many in the crowd?
"There was probably about 150-200 people."

TATTS AWESOME

HANA | 27

Bennett Springs | WA

What food is the most erotic?
"Strawberries, whipped cream and chocolate sauce."
Served on a plate or another person, Hana?
"Another person."
Which body part best doubles as a serving dish?
"On a male, it's the chest and lower stomach. On a chick, you would go tits and her vadge."
Despite the advantages of flossing while you eat, wouldn't body hair pose a problem?
"No, I prefer well-groomed people."
Do you enjoy going down on gals or guys?
"I like going down on both."
When it comes to oral sex, we love an attitude as open as your mouth. Which gender does a better job of munching your moot?
"It depends on the person, really."

SABRINA | 19

Heathfield | SA

Tell us about that hair colour, Sabrina.
"It's bright blue in the photos, but it's black now."
Why blue?
"I love water. I love the oceans and the fantasy that lies with them. That's why I have a mermaid tattoo on my arm."
Sex in the sea: pros and cons?
"Too much sand, personally."
Where's a good outdoor location for a root, then?
"Mount Lofty near Adelaide."
Just Mount Lofty? No other local landmarks?
"Forests and waterfalls have always excited me."
Ever been caught have outdoor sexcapades?
"No, I keep it a secret."
Ever caught someone else having a root?
"My parents...let's not go into that."
Oh dear. What room other than the bedroom works well?
"The kitchen: you can grab a drink while you are going at it."

BOOBS WE LOVE

MERCEDES | 24

Perth | WA

What's the ideal accompaniment to a bit of horizontal aerobics?
"Personally, I find the best music to have sex to is slow R&B songs."
Not Charlie Pride? What songs are the best?
"Ginuwine's *Pony* and Pretty Ricky's *Grind With Me*."
Ever done it in a nightclub? There's lots of music in them, we hear.
"Once, a couple of years ago. The club was really packed and I was very intoxicated and thought, 'Why not?' Still, to this day, I don't know how we got caught, but it was fun. It was in the lounge area. They had big armchairs, so it looked as though I was sitting on my partner's lap."
Are there other public places you've graced with your rooting presence?
"A fair few places...the beach, a park, a taxi... There are probably some other public places."

"Everyone's so friendly and chilled. You spend every day tanning and drinking heaps of beer."

Have you locked loins with any local lads?
"I planned to spend my time in Darwin trying to shag as many randoms as possible, but the first weekend here I met a lovely sparkie at a pub and we just clicked."

So you're an item?
"Wedding bells aren't on the cards just yet, but it's probably safe to call him my boyfriend."

What's the lucky fella like in the sack?

We dig up the dirt on porn star's kinky career!

PHOTOS BY DIGITAL PLAYGROUND

WHEN your filmography includes such titles as *Anal Corruption 3, In The Booty* and *I Blackmailed My Babysitter's Ass*, it's hardly surprising that **Marley Brinx** is nicknamed the "ANAL PRINCESS". Let's get to know the 22-year-old Canadian (and her behind) a bit better.

YOU do a lot of BUTT SEX and other kinky stuff in your scenes. How have your family dealt with your career?

"My family were a little upset at first but I explained ▸

FEMME FACTS

X-RATED bum-fucking champion **Marley Brinx** has a stalker on Twitter: her GRANNY! She laughs, "Gran hasn't watched any of my movies or anything, but she follows my Twitter from a fake account so I can't block her! Haha."

THE HAREM

everything to them, from dressing up to my daily duties, then they became really cool about everything. My grandma is like super into it. She tells everyone her granddaughter is in the movies and I'm like, 'Gran, you don't have to say that!'"

You also have a boyfriend. Are there jealousy issues?

"No, we're SWINGERS. We've had many threesomes and foursomes, but porn was the first time we did things without each other. It's very different, but he supports me and he loves watching my scenes. If we get with others it's always together, usually with another couple in the adult film industry."

What's should blokes know when it comes to satisfying the ladies?

"A lot of guys think you can please a woman just by penetrating her and that's completely wrong. For me, I have THE MOST SENSITIVE CLIT, so I cum waaaay more from having that LICKED and played with more so than being rammed by a huge, rock-solid DICK. However, everyone's different."

What's the best way for a guy to pull a chick as hot as you?

"Well, firstly, don't use any cheesy pick-up lines."

D'oh!

"And don't be too pushy and throw your phone number at her. You don't want to scare her off. Just go up to her and start with some casual, friendly talk. I think that's a good opener."

OK. We'll jot that advice down on the back of our hands and hit the pub. Cheers!

THE FROT TUB

I WAS getting on the cans at a mate of a mate's party in a FUCK-OFF BIG HOT TUB. Heaps of us didn't have swimmers so I was wearing my boxers.

The ladies who hopped in were just wearing bras and undies...or less.

More and more people started piling in the tub and people started sitting on other folks' laps.

To my surprise, a cute black-haired chick sat on my lap. I'd never even met her before!

I couldn't help myself and CRACKED A FAT almost instantly. I was embarrassed, but she turned around and winked at me.

I took the hint and reached down, pulled her undies aside and slid my dick up her snatch.

My new friend was grinding slowly on me while everyone else was distracted and having a good time laughing, splashing and flirting.

She was carrying on a conversation like nothing was happening.

I whispered in her ear that I was about to blow. She smirked and sat down HARD on my cock, all the way to the base.

I came BUCKETS!

The chick just sat there for a bit laughing and chatting with everybody. I eased out of her and pulled my boxers back in place. She casually reached down and did the same with her panties.

We sat in the tub a bit longer just drinking and talking shit.

'SHE SMIRKED & SAT DOWN HARD ON MY COCK'

Eventually, we hopped out and got dressed. She went one way while I hung out with some mates in a different room.

I only passed by her a few times when I went to get more grog from the kitchen.

Later that night, as she was leaving the party she whispered in my ear, "Don't worry, darling, I'm ON THE PILL."

I sheepishly half-smiled, gave her a quick peck on the cheek and said goodbye.

I only realised after she'd gone that I didn't even catch her name.

MAKE IT SWEAT

I WAS in my basement lifting weights while Iron Maiden blared from my iPad. Petra walked down the stairs just as I was finishing my third set of bicep curls.

"You look so strong and muscly," she cooed, as I sat on the weight bench and wiped the back of my neck with a towel.

"If you want to check out my muscles, then take a closer look at this one," I grinned, and popped MY SWEATY KNOB out the side of my gym shorts.

Petra – who's up for anything, anytime – squealed with delight and raced over to me. She was on her hands and knees, sniffing at my old fella like a dog sniffing a bone.

'SHE SNIFFED AT MY DICK LIKE A DOG SNIFFING A BONE'

The brunette licked the tip as my foreskin peeled back and my GENETIC JACKHAMMER emerged in all its FANNY-BLUDGEONING GLORY.

Petra somehow swallowed MY FLESHY DUMBBELL in one go, then worked on the shaft – her spit helping it slide up and down her throat.

I lifted Petra with ease, bent her over the weight bench and hammered her pussy with my prick. We came at the same time, with me spraying my baby batter over her bum cheeks. What a work-out!

KEEP IT CLEAN

DEE may be in her mid-50s, but she still has an amazing bod. We've been married 30 years, but I COP WOOD whenever I see her naked.

The other morning, we were in the bathroom with me shaving while Dee had a shower. I was finishing up when I heard a MUFFLED MOAN come from the stall.

I glanced over and saw that Dee was masturbating with the portable shower head.

Her legs were spread wide as she let a jet of warm water CARESS HER CLIT. Her head was thrown back in ecstasy and I could tell she was on the verge of orgasm.

After she climaxed, she put the shower head back in its holder, then looked round and saw me watching her with

'DEE LET A JET OF WARM WATER CARESS HER CLIT'

MY STIFF WAND in my hand. She smiled dreamily as I fiercely JERKED OFF while staring at her big boobs and swollen pussy.

A splatter of jism hit the shower door. Dee laughed, "Hope you have the strength to get it up again, sweetie. I want you to fuck me."

Ten minutes later, I entered the stall and spun her round so I could ROOT HER FROM BEHIND while squeezing her

giant cans. The feeling of having sex with a stream of water hitting us felt glorious.

"I'm cumming," I grunted.

"Oh yes. Yes! Fill me with your spunk!"

A few more thrusts and I shot my dick-spew into Dee's vadge.

After that, she turned to face me and we kissed deeply.

God, I love that woman so much.

OH GOLLY, MS MOLLY!

I WAS in the park one sunny afternoon when I first met Janey and her spoodle Molly.

It was instant love when I laid my eyes on them. I spent ages patting and cuddling Molly while me and Janey chatted like old friends.

We had a lot in common: we were both from Adelaide, dog-lovers and LESBIANS.

"My house is just five minutes away," the gorgeous blonde said, a lustful look in her eyes. "Want to come over for a coffee?"

"Sure," I replied, but I knew there wouldn't be any drinking going on.

No sooner had we walked through the front door and put Molly in the backyard than Janey had her hands under my blouse. She kissed me with such fierce intensity that I stumbled and fell back on the living room couch.

Janey landed on top of me and we laughed, before she pashed me again. I removed her top so I could get a better look at her HUGE KNOCKERS.

As I nuzzled and sucked on her large brown areolae, she slipped a hand down my jeans and began to play with my puss. I was so wet she was able to

'I NUZZLED AND SUCKED ON HER LARGE BROWN AREOLAE'

slip in two fingers with ease. Within minutes I was cresting an ORGASMIC WAVE, the first of many that day.

We finished our lovemaking session with me FISTING Janey. It was the first time another woman had done that to her and it totally BLEW HER MIND.

I wound up staying the night and within a week I'd moved in with Janey. Now, Molly has two mums!

SPREAD THAT STARR-FISH

YOU going to bang that back door in a porno anytime soon?
"Absolutely, yes. You can see, in my scenes, my ass is already open 'cos I do it in my personal life. I think anal in porn and anal in your personal life is vastly different. I won't do a lot of BUTT-FUCKING on-camera but I will do it."
First arse-pounding experience?
"It was recently and it felt really good. I loved it. He had a dildo in my pussy while fucking me in the ass. I'll never forget that."
How about double anal?
"It's hard to say. I remember FISTING myself. Before, if someone asked if I'd do that, I would have said no; I didn't think I was capable of that. I don't really know what my body is capable of. I'm still exploring that."
